FACTORS

Financial Limitations

FACTORS

Lack of Digital Literacy

Digital Literacy in the Philippines

6%

aged 15 and above have
basic internet skills

2%

Have standard digital
skills

1%

aged 15 and above have
advanced digital skills

International Telecommunications Union (ITU), 2019

PROBLEM STATEMENT

BPSU students lack the financial resources to support their studies that results in dropping out of school.

TRAINING-WORKSHOP ON

DIGITAL LAY-OUTING *and* BASIC PHOTOGRAPHY

December 12-13, 2023 & January 8, 2024
ICT Laboratory, BPSU Dinalupihan Campus

OBJECTIVES

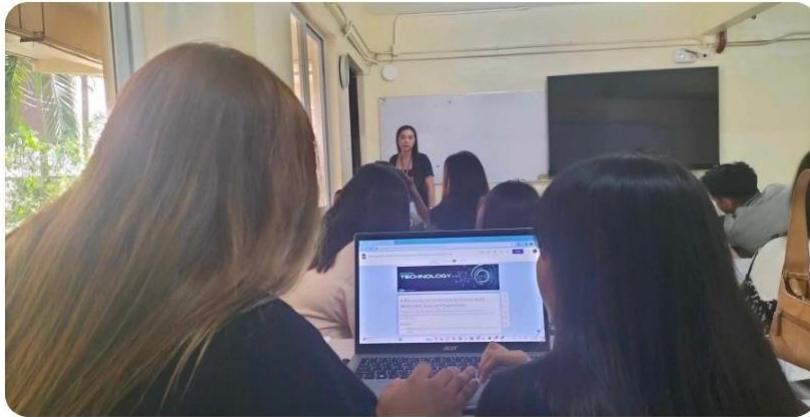

To equip BPSU students with digital skills such as photography, photoshop, and lay-out to improve their knowledge in multimedia tools and applications, and to have alternative sources of income to support their education.

METHODOLOGY

Resources

Problems Met

Limited Time

RECOMMENDATIONS

Maintenance of the Resources.

Collaboration with other organizations.

Provide enough time.

Additional Training sessions.

FUTURE PLANS

Feedback and Evaluation

Monitoring

More training sessions

Additional Training sessions

A woman with long black hair, wearing a white short-sleeved shirt with a dark collar and a dark skirt, is sitting at a desk and pointing at a laptop screen. A man in a light-colored short-sleeved shirt is sitting next to her, looking at the laptop. The desk has a laptop, a mouse, a water bottle, and some papers. In the background, there is a whiteboard, a door, and a window with vertical blinds.

TRAINING PROPER = DAY 3
HANDS-ON TRAINING & OUTPUT PRODUCTION
JANUARY 8, 2024

THANK YOU!
